Keep your Community Partners Program *BUZZING* all Summer Long!

- Now is the ideal time to remind supporters to shop at Albertsons for all their summer essentials. Promote your program on your website, social media pages and monthly newsletters. Fun and informative flyers are available to download from the Materials section of the website.
- Hand out Community Partners keytags at all your summer events. You can order more keytags or download temporary cards at the website:
www.albertsons.com/our-company/community-partners
or contact Program Headquarters at: 800.696-6419
- Don't forget, if your supporters go on vacation and shop at a participating Albertsons store in AZ, NM, NV, UT, CO, TX, LA or FL and use their Community Partners keytag, they will earn credit for your organization!

Have a great summer and thank you for participating in the Community Partners program and your loyalty to Albertsons.
