Transportation: (From teacher Taylor Pons)

Here is a breakdown of our prices for our buses and a copy of our Mileage rates for the proof of bus amount.

9am-2pm is a 5 hour field trip

Within 7-13 miles at 5 hours (4 hours + 1 additional hour), it is $114 + 12 = 126$

$126 + 15 =$ (for 1 additional stop of the switch museums) 141

141 is the price of one bus and for 100 students we need two buses.

141×2 buses = \$ 282 full amount.

Note from Teacher Taylor Pons:

I hope this can serve as proof of the amount needed for buses transportation. We thank the community and potential sponsors for thinking of our school!!!!!!
