Dear Carolyn,

On behalf of Faith House, I would like to send a personal thanks for your generous donation. Our donors play such a vital role in the continued functioning of our success as an organization. Donations, such as your own, are what allows us to further execute our mission of providing shelter and safety for survivors of domestic violence.

Faith House gratefully accepts your \$250.00 donation for summer camp lunch.

Regarding battling the widespread issue of domestic violence, we want to welcome you to the movement for positive change and safety for all. The battle is not one we can fight alone, so the support of our donors is part of what makes it all possible. Please feel free to reach out if you'd like more information about our programs or services.

While safe shelter provides a sense of peace to those fleeing domestic violence, Faith House offers and provides services beyond that in order to ensure that safety and sense of peace is obtainable and consistent throughout the entire process of escaping a domestic violence situation. Some of these services include providing basic needs, clothing, food, legal assistance, advocacy, obtaining new legal documents, children's services, domestic violence education and prevention, transportation assistance, housing assistance, and more. Every survivor we assist is attempting to escape the same problem, but also with each survivor comes different stories, obstacles, and circumstances. Your donation and support will enable us to keep navigating these waters in order to best serve those seeking safety and peace. Accept our genuine thanks on behalf of the adult and child survivors who are working to find a way to live in peace.

Sincerely,

Kristen Boutte
Director of Prevention & Development
